

Café Blüte

Welcome to Café Blüte

Our pastry shop and café were founded in March 2010 as a sibling project and is now run as a family business. Ümmü Gülsün has been managing the café since the beginning and is also our pastry chef.

Every day, we create homemade cakes, pastries, and baked goods with great care – you can find them fresh in our showcase.

Custom cakes & personalized designs

We are happy to bake cakes and tartes to order. Personalized creations for all kinds of events and sizes are, of course, possible. You can see our work on our Instagram profile.

Lunch menu

During the week, we prepare a fresh lunch every day, which can also be taken to go.

Breakfast & brunch

Our breakfast menu and brunch buffet on Sundays and holidays are lovingly prepared to offer a delightful culinary experience.
